

Changes to the **Consent Process** page of the New Study Application

Justification for use of the Short Form

1/30/2009

**7. Will a language other than English be used to obtain consent?**

Yes  No [Clear](#)

**If yes, complete the following:**

**a. Please indicate which form will be used:** *A consent document must be provided in the language understandable to the subject*

- A translated consent document.
- A translated short form with an English long form.

[Clear](#)

**If using the short form, please provide justification for why a full, translated consent document will not be used:**

**b. Describe whether translation services be used for the consent process and how the consent process will be conducted?**
